for  
Family Health Partnership Clinic**

When you send or purchase flowers for important occasions and events for, from or to anywhere in the U.S., your purchase can benefit Family Health Partnership Clinic. How? Their "*Flowers for a Great Cause*" program donates 10% of all in-area purchases and \$3.00 of all out-of-area purchases to our organization. These donated funds will be used to further our mission and to specifically support our efforts in the areas of providing much needed healthcare to the uninsured and underinsured population in McHenry County.
